This academic year was like no other, as we navigated the unprecedented challenges brought forth by the global COVID-19 pandemic. It was a year that tested our resilience, adaptability, and unwavering commitment to education.

The year 2020 began with hope and excitement, but it soon threw us a curveball in the form of the COVID-19 pandemic. On 21st March 2020, our country, like many others around the world, went into a nationwide lockdown. This lockdown was a crucial step in combating the spread of the virus, but it also meant that our school, like countless others, had to adapt to a new reality.

In the face of this crisis, Guru Drona School rose to the occasion, embracing a rapid and dramatic shift in our educational approach. With physical gatherings rendered impossible, we transitioned to the online medium, ensuring that the education of our students remained uninterrupted. Our dedicated and talented teachers quickly mastered the art of virtual instruction, and our students, the true stars of this journey, displayed remarkable adaptability.

This shift to online education was not just about replicating the classroom experience. It was about evolving, innovating, and embracing a new way of learning. While we missed the physical presence of our students and the vibrant atmosphere of our school campus, we made sure that the spirit of learning and personal growth thrived in the virtual world.

Our annual report for the session 2020-21 is a testament to the collective efforts of our school community. It showcases not only the academic achievements of our students but also the creativity, resilience, and adaptability they demonstrated during these challenging times. It is a reflection of the dedication and unwavering support from our parents, the tireless commitment of our teachers, and the indomitable spirit of our students.

As we present this report, we invite you to take a journey through a year where our strength and unity shone through the darkest of days. While the pandemic may have kept us physically apart, it brought us closer in spirit, reminding us that the pursuit of knowledge knows no bounds.

We are immensely proud of the collective effort that allowed us to continue our mission of nurturing young minds and shaping the leaders of tomorrow. We look forward to sharing the remarkable accomplishments and experiences of our students in this unique academic year.

Annual activities:

Online class:

In response to the pandemic, we seamlessly transitioned to virtual classrooms, ensuring that the teaching and learning process continued uninterrupted. Our dedicated teachers delivered quality education through online platforms, keeping students engaged and connected.

15th August Independence Day:

Despite the physical distance, we celebrated India's Independence Day with great enthusiasm. Students and teachers joined an online ceremony to pay homage to the nation's freedom struggle and shared patriotic spirit.

Sri Krishna Janmashtami Celebration:

The birth of Lord Krishna was celebrated online with devotion and enthusiasm. Students and teachers dressed up, sang devotional songs, and shared the significance of this auspicious day.

Children's Day Celebration:

Children's Day was celebrated online with fun activities, interactive games, and cultural performances by our talented students. It was a day dedicated to the students' creative expression and talents.

26th January Republic Day:

The pride of being Indian and the values of the Republic were commemorated online with a virtual flag hoisting ceremony. Students showcased their patriotism and respect for the constitution.

Vaccine Drive in school:

Students Come to the school for the first time for the Vaccine drive organized by the government of India. to protect children's from covid-19

Drawing & Painting Competition:

To nurture creativity and artistic expression, we organized a virtual Drawing & Painting competition. Students from various grade levels enthusiastically participated, showcasing their talent and imagination through digital art.

Vaccine Drive In School

In our School Vaccine Drive Started it was the Indian government scheme to provide vaccine to the the students in school campus

Throughout this unique academic year, our school community demonstrated resilience and unity, ensuring that the spirit of celebration, education, and cultural values remained alive, even through the virtual medium. We commend the active participation and enthusiasm of our students, teachers, and parents in making these online events a success.

“We give wings to your vision.”
